

DUST MONKEY CLEAN GO

WWW.DUSTMONKEY.NET

SPECIFICATIONS

The unit Clean GO, thanks to its compact size, is easy to use and operate. It represents the mobile solution for suction, filtering and deodorizing of welding fumes, solvent, vapors, aerosol in work premises. The Clean GO is designed according to up-to-date technologies, suitable in both industrial and handicraft fields, where ease of movement and small size are a requirement. The Clean GO was specifically designed for use in different fields, including industrial maintenance, car repair workshops, hydraulic and light

mechanical workshop. The only maintenance required is replacing the filter, and this is a simple operation that requires very little time and no special skills. The Clean GO mobile extractor does well removing welding fumes from the work place environment. A high efficiency filter media is used and permits a collection rate of higher than 99.9% efficiency and an almost total elimination of odors. The polluted air, sucked by the patented arm UNIVERSAL NO-SMOKE or EVOLUTION NO-SMOKE (optional).*

* Universal No-Smoke Arm comes standard with the Clean GO/E model.

FEATURES

TERMS AND CONDITIONS

PAYMENTS AND TERMS

Prices quoted are good for 30 days unless otherwise noted. Dust Monkey accepts cash, check, wire transfer, or credit cards. All prices are quote in US Dollars, unless otherwise noted. All sales are final. All freight is FOB, Las Vegas, Nevada unless otherwise noted. All goods remain the property of Dust Monkey until paid in full. Payment is due at time of order unless credit has been granted. All past due accounts accrue a service fee of 3% per month. Dust Monkey is a DBA of Komodo Enterprises, Inc., a Nevada Corporation.

WARRANTY & INDEMNITY

Dust Monkey warrants products it manufactures for a period of 90 days to the original purchaser from the date of purchase. Items not manufactured by Dust Monkey are limited to their own manufacturer's warranties. This warranty does not apply to defects due directly or indirectly to misuse, negligence, accidents, abuse, repairs, or alterations or lack of maintenance. This is Dust Monkey's sole written warranty and any and all warranties that may be implied by law, including any merchantability or fitness, for any particular purpose, are hereby limited to the duration of this written warranty. Dust Monkey does not warrant or represent that the merchandise complies with the provisions of any law or acts. In no event shall Dust Monkey liability under this warranty exceed the purchase price paid for the product. Both parties agree to binding arbitration in Las Vegas, Nevada. Dust Monkey shall in no event be liable for death, injuries to persons or property or for incidental, and contingent, special, or consequential damages arising from the use of our products. Dust Monkey warrants products only for the specific use expressly agreed to at time of purchase by Dust Monkey in writing. Motors should only be started and stopped up to 4 - 10 times per hour. Starting motors more frequently can cause heat build up and can cause the motor overload to trip or cause motor damage. In general, motors should be started and stopped as little as possible for maximum lifespan and best economy (electrical use). *Note: Motors should be protected from extreme weather to prolong motor life. All claims, including claims covered under the limited warranty, are subject to inspection and investigation before Buyer's claim is settled. Any parts returned for warranty or repair will not be accepted without an RMA number and must be shipped pre-paid. Contact Customer Service with the original bill of sale to obtain an RMA number.
